

# HARVEY CROSSING

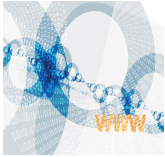

**Support your community by purchasing inside your community.**

*Today's economy is causing massive layoffs, cutbacks, foreclosures, and money issues of all sorts for everyone. There are many who are turning to part time jobs or side jobs to even produce even money to cover their monthly bills. We, at Harvey Crossing, wanted to provide a way for everyone to get to know their neighbors and find out what type of services that can be provided in our own neighborhood. If you are looking to make extra money by providing reasonable services, or even if you just need to get rid of a few items around the house. We encourage you to look around your own community.*

Computer Repair (Virus Issues, software problems)

Call 601-940-0267

Website design (Small or startup business)
